Dear Sir or Madam:

RE: Certification of Canadian residency for the tax year 2013
Tax agreement between Canada and China

This is to certify that, based on available information, you are considered a resident of Canada for income tax purposes for the above-noted tax year.

With this certification, the foreign authorities may apply the provisions of an existing tax agreement. This may reduce or eliminate foreign tax on foreign income for a resident of Canada.

If you have any questions, please contact Business Enquiries at 1-800-959-5525.

Yours truly,

Carrie Walzak
